Orientation Times: Climbers 16 years and older may undergo an orientation to be properly trained on how to clip into the Auto Belay System so they may check out harness from the front desk and use the Auto Belay during unscheduled program times.

Belay Qualification: Climbers 16 years and older may participate in the Belay Qualification. This will instruct the climber on how to properly tie into the harness with a Figure 8 knot, and how to properly use the belay device. After successful completion of the qualification, the climber must wait one business day before being allowed to belay without staff supervision. **Belay Qualification Test Out is available for climbers from other gyms/facilities with rock wall; please contact Cory Greenway to schedule a Test Out time.**

Participants wishing to belay others must be Belay Certified by the Worthington Area YMCA. Other outside Belay Certifications will not be accepted.
