

YMCA Facility Rental Pool Responsibilities

Facility Rentals that wish to utilize the Aquatics Center agree to abide by an adult/guardian to child ratio (A:C) of 1 adult/guardian per 7 children or rental participants. In addition, Facility Rentals agree to observe all posted and required pool rules, listed below. All swimmers will abide by the YMCA's swim test policy. Participants who have been swim tested already and are registered in our system may acquire the band at the front desk. Other swimmers will have to take the test.
